| 4. 9&Over 50 fly | 9. 8&Under 50 free |
| 5. 8&Under 25 back | 10. 9&Over 100 free |

Entries. To enter, log in to our online Meet Sign-up page on the team website, and sign up by October 15. Please contact us with any questions you have about the sign up. The coaches will pick the swimmers' events.

Positive Check In. All swimmers will be required to check-in upon arrival to the meet. Positive check in will be located on the pool deck.

Bullpen. A bullpen will be used for all swimmers.

Meet Staff. Parents please be willing to volunteer to time, be a runner, or help with the bullpen! (You can sing up online to volunteer also). Here is a brief description of the three areas where we will need help:

Bullpen. The bullpen is the holding area for all swimmers commonly used for the 8 and under age groups. The area includes chairs lined up by race heat. Parent volunteers use the heat sheet to organize the group so that they can be marched behind the blocks in the proper meet order. This insures that the younger and less experienced swimmers make it to their events.

Timing. Timing is simply taking a the time of each swimmer using a team issued stop watch. The time is then written on a result sheet that will be on a clip board. This sheet will be collected after every events. All equipment (stop watch, clip board, pencil and result sheet) is issued by the team at the meet. Other then learning how to use a stop watch no special training is necessary.

Runner. Person who collect timing sheets from the times and brings them to the computer result table. A runner may also be asked to hand out meet programs, updates to the coaches as well as posting results by taping them to a wall.

Computer Operator: This is a great chance to learn from the Wheaton Swim Club staff! We will train you in using the timing console and in generating the computer results. It is so easy and is one of the best seats in the house at every meet!
