

2005 USA SWIMMING
SPEEDO CHAMPIONS SERIES

University of Minnesota Aquatic Center & Twin Cities Swim Team
July 21-24, 2005

Please note the following significant changes to the meet information from previous years:

- 1. Please note the change in the due date for entries. Entries are now due a week earlier so that Minnesota Swimming, Inc. can verify each athlete's USA Swimming membership with the SWIMS database before they are allowed into the meet. See meet info for details on deadlines.*
- 2. Positive check-in will be required for the 800 Freestyle, 1500 Freestyle, and all Relay Events. A swimmer or relay who fails to positive check-in for these events will be scratched. The policy of downseeding to slower heats will no longer apply to those who do not positive check-in.*
- 3. Athletes swimming the non-finals (afternoon) heats of the 800 Freestyle and 1500 Freestyle, or any time trial events must provide their own lane timer and lap counter.*
