- Remember that you represent your team and your city at all times.
- Treat all coaches, officials, and other authority figures with respect including personnel from other teams
- Treat all your opponents as equals and peers
- Remember that we are guests at Wheaton College and the College of DuPage (and all other facilities). Please go the extra mile to respect the property and people of the Colleges. No act of vandalism will be tolerated.

Specific Guidelines:

- At all times swimmers must follow the directions of any member of the coaching staff; follow all pool rules at all times in all facilities; and refrain from the use or possession of alcohol, tobacco, or any non-prescribed drug.
- At all swim meets, swimmers must be on time for each session. This means about 15 minutes before the start of a session.
- Additionally, at travel meets, swimmers must follow all curfew guidelines given by the coaching staff. Coaches.

These guidelines are designed to protect the swimmers, parents, and staff of the Wheaton Swim Club, in addition to the Team itself and the facilities it uses. Failure to follow the Code of Conduct may result swimmers being billed for damages, sent home from a meet at parent's expense, or dismissed from the team.
