

Wheaton Swim Club Fees Information

All fees are due at the time of registration. Please contact a coach or see the website if you are interested in paying by credit card or Pay-pal. Group Fees include training fees only. Note that there is a multiple swimmers discount, as outlined below. Additionally the team will have an escrow account which will be used for your ISI meet entry fees. When your escrow account falls below a certain level, you will be notified as such. All swimmers must register with ISI. This money is passed directly on to Illinois Swimming. Your ISI fee is good from Sept 1, 2004 through Aug 31, 2005. Note that there is a multiple swimmers discount, as outlined below.

REFUNDS: Team fees are non-refundable after 10 practice sessions have been offered for your swimmer's group. Any money in your escrow account would be refunded to you if you decide to leave the team. ISI fees are non-refundable. The team must be notified in writing if you choose to leave the team.

HIDDEN COSTS: There are no hidden costs involved in our program. Any other costs are your own choice (apparel, travel meets, etc.). The team's goal is to make it possible for any member of the community to participate. Please see a member of the staff with any questions you may have. Financial incentive or scholarship opportunities are also available.

DISCOUNTS: Additional family member - 5% reduction fee for second child, 10% discount for 3rd, 4th, etc.
