

## Team Roster Withholding Form

The team plans to publish a roster for all members. These will include swimmers' names, group assignments, phone numbers, addresses, parent's names, and emails.

The roster will be available in the team office only and will only be distributed to team members to help protect your privacy.

If there is information you would like to have **excluded** from this roster, please fill out this form with and return it to the coaches.

We are providing this service as a courtesy to members to help you with carpools, getting to know your teammates, etc. We hope you enjoy it!

=====

Family Name \_\_\_\_\_
