

Preliminary 2006 Spring / Summer Meet Schedule, Team Activities, and Planning Calendar

The coaching staff is working hard on both registration and plans for the upcoming season. The meet schedule below is an outline of our plans for the short course season. All dates are preliminary and are subject to change. The official ISI schedule will be prepared by Illinois Swimming, Inc very soon. At that time the coaches will finalize our plans. We also plan to add novice, dual, and other exciting meets to meet the needs of all of team members.

The coaching staff understands that our swimmers are involved in many great activities throughout year. We are providing this outline of our meet schedule to assist you in organizing your schedules for the spring and summer.

If any changes are made to the meet schedule, we will post all information on the team website.

A meet sign-up sheet will be available shortly!

April 2006		
April 4	First practices are this week!	Please see the team website for your group's first practice info
April 8	Team Banquet and Awards Ceremony	At the Lisle Hilton. Everyone is welcome. Please RSVP by 3/15
May 2006
