

You Pick The Music!

Wheaton Swim Club is giving swimmers across the state a chance to choose the music that will be played at Age Group State!

We will be playing music during warm-ups and before each Finals heat as “march-in” music (11-12 and 13-14).

Swimmers from any team are invited to suggest a song (limit one per athlete please) to be played during warm-ups or as march-in music. Simply fill out the form below and mail it to the Wheaton Swim Club by July 10th.

We will be choosing the best and most frequently requested songs to play!
