Hospitality	8
And More!	

Age Group State Edition

MARCH 2008

Age Group State Updates

As many of you know, Wheaton Swim Club has been selected by Illinois Swimming to host the 2008 Illinois Swimming State Championships. This meet will be held March 14, 15, 16, 2008 at UIC Natatorium in Chicago.

We are very honored to have been chosen to run this meet, and are looking forward to running a first class event.

We will need the help of every family on the team. We are asking that families with and without swimmers participating in the meet volunteer to help in some fashion—before, during, or after the meet.

Why Help?

The age group state meet is a 3 day affair with 3 sessions per day. We would like to make the task

Specific Needs

At this point, we are well covered in most areas of the meet. However, we do still have a few specific needs.

1. **Friday Sessions.** Due to work and school, we still need some available volunteers for the first 2 sessions on Friday.
2. **Concessions and Hospitality.** We can use about 2 more workers in these 2 areas for all sessions.
3. **Pre-Meet Driving and Shopping.** We are in need of 1-2 families available before the meet to help with shopping and driving supplies.

of running the meet easier for everyone by involving all team members. Also, running a great meet helps keep team fees down for everyone, and helps the team purchase new equipment and provide team scholarships.

National Team Members

Volunteering at this meet is a great way to help out your team, your family, and to earn community service hours (i.e for National Honors Society, etc). We

are asking each of the members of the national team to work at least one session to help give back to the program.

Team Spirit

We ask that all Wheaton volunteers wear some kind of team apparel while helping. We have also provides new t-shirts for all volunteers!

Stay Informed

All information about the meet can be found on our team website. Click the logo on the right side of our homepage for full details.
