

National Team Members

We need your help

The team is asking ALL National Team Members who are not competing in Age Group State to help out at the meet for at least one session.

This is a great way to “give back” to your team and your families. You can also even earn community service hours (for National Honors Society, etc). The meet is March 14, 15, 16, 2008 at UIC, so Sectionals will be over already.

The 14 & Under Swimmers on our team will really appreciate seeing you at the meet.

This is also a great way to help make our team look good in front of the whole state!

We are looking for National Team members to help with timing, awards, running, and the ready room. Please sign up and return this form to the coaches by Feb 15.
